## Cost and Financial Aid

USC practices need-blind admission. A student's ability to pay has no bearing on their admission.

USC has a long tradition of fully meeting the USC-determined need of undergraduates through a combination of merit scholarships, need-based grants, Federal Work-Study and loans.

Approximately two-thirds of the 2024 incoming class received some form of financial assistance.

Although international students are not eligible to receive federal or USC need-based aid, they may be awarded merit scholarships and/or other departmental awards. Students who meet California Dream Act requirements or undocumented students who have Deferred Action for Childhood Arrivals status may be eligible for need-based aid.
