**Planning Your Transfer**

## Additional Coursework by Major

A strong application for admission will show solid progress toward your intended degree. The curricula of many undergraduate majors require lower-division, introductory coursework often available at other institutions. Students wishing to be more competitive in the applicant pool should consider completing the suggested courses listed for their major. For majors in business, engineering, public policy, and architecture, completion of these courses is required for admission. Science and engineering majors can become stronger candidates for admission by completing the additional coursework listed.

The course numbers listed below are USC course numbers. Please visit [arr.usc.edu/transfercredit](http://arr.usc.edu/transfercredit) to find an equivalent course at the college you attend.

 Majors that require a third-level foreign language for graduation are indicated with a checkmark in the "FOREIGN LANG." column.

International Relations

Requires a fourth-level course of foreign language.

International Relations (Global Business)

International Relations & the Global Economy

ECON 203 (Principles of Microeconomics); ECON 205 (Principles of Macroeconomics); MATH 118 (Fundamental Principles of the Calculus)

Mathematics, Applied and Computational Mathematics

MATH 125 (Calculus I); MATH 126 (Calculus II); MATH 225 (Linear Algebra and Linear Differential Equations); MATH 226 (Calculus III); PHYS 151 (Fundamentals of Physics I: Mechanics and Thermodynamics)*

*Only required for the B.S. in Mathematics.

Neuroscience

BISC 220 (General Biology: Cell Biology and Physiology); CHEM 105a (General Chemistry I); PSYC 100 (Introduction to Psychology); MATH 125 (Calculus I)

The B.S. program in Neuroscience also requires CHEM 105b and PHYS 135ab.

Physics/Computer Science

MATH 125 (Calculus I); MATH 126 (Calculus II); MATH 225 (Linear Algebra and Linear Differential Equations); MATH 226 (Calculus III); MATH 245 (Mathematics of Physics and Engineering I); PHYS 151 (Fundamentals of Physics I: Mechanics and Thermodynamics); PHYS 152 (Fundamentals of Physics II: Electricity and Magnetism)

Political Science

POSC 100 (Theory and Practice of American Democracy); POSC 120 (Comparative Politics)

Psychology

PSYC 100 (Introduction to Psychology); MATH 114 (Foundation of Statistics)

Sociology

SOCI 200 (Introduction to Sociology)

All other majors

Courses vary. For more information visit dornsife.usc.edu/undergraduate-academics.

Iovine and Young Academy / iovine-young.usc.edu

Arts, Technology and the Business of Innovation (B.S.)

In addition to the Common Application, applicants are required to submit a video proposal and a portfolio of creative work. The application deadline is December 1. Select candidates will be invited to a required interview that will take place in February. Please visit the Iovine and Young Academy website for complete details: iovine-young.usc.edu

Transfer students are welcome to apply but should be aware that the Academy curriculum is cohort-based and may require four years to complete at USC.

Architecture

Required for admission: MATH 108 (Contemporary Precalculus)

Recommended course: PHYS 125 (Physics for Architects) or PHYS 135ab (Physics for the Life Sciences I & II)

The five-year Bachelor of Architecture program is a professional degree accredited by the National Architecture Accrediting Board (NAAB)

All transfer applicants must submit a portfolio directly to the School of Architecture via uscarch.slideroom.com. Consult the School of Architecture program website for instructions.

Placement level and the amount of time to complete the studio sequence are dependent on skill level, not unit count.

Submit a recommendation from a college/university instructor or your college academic advisor via Slideroom. Letters from high school teachers or counselors will not be accepted.

When selecting General Education courses, please focus on Categories B, C, D, G and H. If you are admitted to the B.Arch program, Categories A, E and F will be fulfilled by major requirements.

Roski School of Art and Design / roski.usc.edu

Art (B.A.) Design (BFA)

Fine Arts (BFA)

All transfer applicants must upload a portfolio of 10-15 images of recent artwork (completed within the past two years), prompt-based artist essay, and a list of creative accomplishments to roski.slideroom.com. See Roski website for more details.

Submit two letters of recommendation from current or former art instructors via Slideroom.

When selecting General Education courses, please focus on Categories C, D, E or F. Categories A, B, G and H will be fulfilled by major requirements.

All studio courses taken outside USC are subject to an online portfolio review by Roski faculty prior to granting credit for them. For this reason, if you are admitted, prepare to submit additional portfolios of appropriate artwork and syllabi for each art or design course taken.
Required for admission: WRIT 130 (Analytical Writing); MATH 118 (Fundamental Principles of the Calculus) or MATH 125 (Calculus I)

These courses must be completed by the end of the spring semester for admission consideration; fall completion is preferred.

All upper-division business core courses and major electives must be taken at USC. Business courses completed at another college or university may earn general elective credit.

In addition:

It is recommended that students complete General Education courses, as well as financial and managerial accounting.

Please note that prospective Accounting majors must first enter the Marshall School of Business as Business Administration majors. A formal request to transfer to the Leventhal School of Accounting can be made once the resident accounting course or courses are successfully completed.

To better prepare for all Cinematic Arts majors, students are encouraged to complete the transferable General Education categories, in addition to the Math, Writing and Foreign Language requirements. Cinematic Arts programs are project intensive, and completion of transferable General Education courses will allow students to better focus on Cinematic Arts courses.

Animation & Digital Arts applicants: The undergraduate animation program is a four-year sequential program of study. General Education and elective units may count in transfer. Animation applicants are not required to complete a foreign language requirement.

Film & Television Production applicants: To be considered for admission, applicants must first obtain 48 transferable semester units (excluding AP & IB). This total may include units in progress during the fall or spring semester.

Media Arts + Practice applicants: Transfer applicants are admitted into the sophomore year cohort, and the program will require three years of study to complete. General education and elective units may count in transfer.

Writing for Screen & Television applicants: The undergraduate writing program is a four-year sequential program of study. General Education and elective units may count in transfer. Writing applicants are not required to complete a foreign language requirement.

The deadline for the Animation & Digital Arts and Writing for Screen and Television programs is December 1, 2021. The transfer application deadline for all other programs is February 15, 2022.

In addition to the Common Application, all undergraduate applicants must submit a SlideRoom application for supplemental and portfolio materials. Visit cinema.usc.edu/admissions/apply.cfm for detailed information regarding required supplemental materials.

The best preparation for an Annenberg major is progress toward completing the USC General Education program and having completed at least one level of a foreign language. You may transfer in a maximum of 64 units of credit for all majors.

Communication applicants: Communication courses taken at another college or university will not count toward the Communication major.

Journalism and Public Relations applicants: You may transfer in a maximum of 12 units of advertising, journalism and public relations courses for elective credit only.

Please visit annenberg.usc.edu/admissions/undergraduate-applicants for the complete Annenberg transfer guidelines.

In addition to the Common Application, all applicants are required to submit the USC Kaufman Portfolio, which includes a pre-screening video, a dance résumé and photographs, via SlideRoom.

Select students will be invited to audition.

Please visit Kaufman.usc.edu/apply for complete details.

Please note that although current USC and transfer students are welcome to apply, the BFA program requires four years to complete at USC.
Theatre (B.A.)
Theatre (B.F.A.)

There is no audition or portfolio review component for B.A. applicants. The B.A. deadline for transfer applicants is February 15.

B.F.A. applicants are required to submit an audition (with a possible callback) or a portfolio review. Updates regarding auditions and portfolio reviews will be provided after the SlideRoom supplemental application has been received. The B.F.A. deadline for all applicants is December 1.

In addition to submitting the Common Application, all applicants must complete a supplemental application in SlideRoom via uscdramaticarts.slideroom.com.

Additional information is available at dramaticarts.usc.edu.

Viterbi School Of Engineering / viterbiadmission.usc.edu

Application to any engineering or computer science degree program are strongly encouraged to review the detailed instructions and transfer course plans at viterbiadmission.usc.edu/transfer. Specific instructions and counseling vary by degree program.

**Required for admission:** Two courses of calculus (or higher-level math beyond calculus) after high school with a minimum of MATH 126 (Calculus II) in-progress at the point of application.

**Science or Computer Programming courses:** All applicants must complete lab-based science or computer programming courses as determined by their desired major at USC. Please see the above Viterbi School transfer website for specific course advisement.

Davis School Of Gerontology / gero.usc.edu

Courses recommended for the Health Science track include:

- BISC 120 (General Biology: Organismal Biology and Evolution)
- BISC 220 (General Biology: Cell Biology and Physiology)
- CHEM 105a (General Chemistry I and II)
- MATH 125 (Calculus I)
- PHYS 135ab (Physics for the Life Sciences I and II)
- CHEM 322ab (Organic Chemistry I and II)

There is no foreign language requirement for the Health Science track.

Students pursuing the Human Development and Aging (Social Science track) and Lifespan Health degrees must meet a foreign language or computer programming requirement.

Keck School of Medicine / keck.usc.edu | hpdp.usc.edu

Global Health

BISC 220 (General Biology: Cell Biology and Physiology); CHEM 105a (General Chemistry); ECON 203 (Principles of Microeconomics); MATH 125 (Calculus I)

Health Promotion and Disease Prevention

BISC 120 (General Biology: Organismal Biology and Evolution); BISC 220 (General Biology: Cell Biology and Physiology); CHEM 105a (General Chemistry); MATH 108 (Contemporary Precalculus) or MATH 125 (Calculus I) (required for pre-health students); PSYC 100 (Introduction to Psychology)

Thornton School of Music / music.usc.edu

Music Industry (B.S.)

The B.S. in Music Industry requires four units of Economics coursework, which can be satisfied with any ECON course number 100-499.

In addition to the Common Application, all undergraduate applicants must submit a Thornton SlideRoom Portfolio. The transfer application deadline for all Thornton programs is December 1. Visit music.usc.edu/admission for detailed information about how to apply and required supplemental materials. Visit music.usc.edu/admission/transfer for more information about transferring to the Thornton School.

USC School of Pharmacy / pharmacyschool.usc.edu

Pharmacology and Drug Development (B.S.)

MATH 108 (Contemporary Precalculus); MATH 118 (Fundamental Principles of the Calculus); MATH 125 (Calculus I)∗; BISC 220 (General Biology: Organismal Biology and Evolution); BISC 320 (General Biology: Cell Biology and Physiology); CHEM 105a (General Chemistry); CHEM 105b (General Chemistry)

∗Required for pre-pharmacy students.

For additional requirements for transfer students on the pre-pharmacy track visit pharmacyschool.usc.edu/apply/admission/requirements

Price School of Public Policy / pricesschool.usc.edu

Public Policy

MATH 117 (Introduction to Mathematics for Business and Economics); ECON 203 (Principles of Microeconomics)

Real Estate Development

**Required for admission:** The Real Estate Development major requires ECON 203 (Principles of Microeconomics) and one of the following: MATH 117 (Introduction to Mathematics for Business and Economics), MATH 118 (Fundamental Principles of the Calculus) or MATH 125 (Calculus I).
